# What is CG - International?

CG-International is a project that aims to **develop an innovative approach to Career Guidance of VET students across Western Balkan countries**, by focusing on developing customized training for VET teachers, VET providers, and school counselors.

The core focus of CG-International is the development of international career guidance strategies within VET schools.

This will be achieved through development and implementation of a **unique Capacity Building program which will combine development of skills for effective career guidance and internationalization of VET for VET teachers, counselors, and other staff involved in providing professional guidance and orientation to students.**

## Project Objectives

- 1 Strengthen teacher and expert capacity to deliver effective career guidance.
- 2 Offer comprehensive career counseling services for VET students.
- 3 Provide targeted capacity-building training for career guidance experts.
- 4 Align vocational education with development strategies to enhance expert capacity.
- 5 Promote public-private partnerships to improve VET collaboration and alignment.

## Who will benefit from CG International?
